Dec. 5, 1954

Dear Ted....

I've sent Charlie a note in this same mail.... am giving you highlights so you can check with him and see what you can do.

1. Send release of Thompson award to Variety. Address: 154 West 46th St., N.Y.C. I'm trying to get Montgomery to mention it on his show of 20th. If Variety uses it he probably will. Important in release to cite reasons for award exactly as it appears on certificate we give him.

2. Send same release to Billboard. Send both this week but mark not for Release till Dec. 12th.

3. Send heeler to Drama School Library and ask for reviews on King Of Hearts. Have him copy down some of things critics said about Rex. It's good material to use in introducing him. For reference: the show opened April 1st 1954. PLEASE BE SURE TO HAVE THIS INFORMATION. Suggest to Charlie if it's good enough he might use it on award certificate.

4. An interview on tape with Carl Loucks for use of WELI has been arranged for 3:30 Sunday. Include this on your schedule...we have to go down to their studios.

See you Sunday.

P.S. Also - please write directly to Montgomery at NBC, 30 Rockefeller Plaza and tell him of award so pressure will come from 2 directions — ask him directly to use it on show of Dec. 20th in introducing Rex.

Andy.
